Digital Technologies
Explore familiar digital devices
(STe-7DI-T)

Digital Technologies
design a process to solve an identified problem
(STe-7DI-T)

Digital Technologies
explore how people use digital systems to communicate
(STe-7DI-T)

ES 1
Science & Technology

Living World
Explore a range of foods obtained from plants & animals
(STe-3LW-ST)

Physical World
Participate in guided investigations to explore how particular objects move on land, water and/or in the air, and how these objects are affected by forces
(STe-5PW-ST)

Digital Technologies
follow and describe a sequence of steps (algorithms)
(STe-7DI-T)
